(907) 543-4844**

April 10, 2023

To parents/guardians,

In light of the water situation at the Ayaprun school in Newtok, LKSD has applied for a meal service waiver from the state of Alaska. In an effort to continue to provide nutritious meals to students during this time, the State of Alaska has granted Ayaprun School a waiver to allow for students' meals to be distributed and eaten off site. Students that attend classes will pick up their meals from the school and take them home to eat. Students will be offered a sandwich, vegetables, fruit cups, and milk.

Please call or email Ayaprun school with any questions.

Thank you,

Amanda West
Food Service Director
Lower Kuskokwim School District
